NALTEA OFFERS SPONSORSHIP OPPORTUNITIES

The National Association of Land Title Examiners and abstractors invites title industry-related businesses to show their support for improved quality in the title abstracting field. Through sponsorship of NALTEA, corporations can help defray the cost of educational seminars and other activities designed to build a better abstractor. Sponsorship will also help pave the way for greater numbers of abstractors to be certified and acknowledged as highly competent by the association.

Why Be A Sponsor?

Sponsorship has its benefits. NALTEA sponsors will be acknowledged publicly as businesses that care about the quality of the work they rely upon as a vital component of their own product. It lets your customers know that you are serious about encouraging higher standards in your industry. Sponsors will be so identified conspicuously on the home page of the NALTEA website, and in our printed directory and brochures. Higher level sponsorship offers courtesy vendor table space at our annual conference. Here's what each level of sponsorship offers:

Platinum Sponsor (\$600.00 per year)

- Premium button ad placement on the NALTEA website identifying you as a Platinum Sponsor.
- Full-page ad in our printed directory.
- Logo in our printed tri-fold brochure.
- Honorable mention at the annual NALTEA conference.
- Complimentary, premium location vendor table space at the annual NALTEA conference.

Gold Sponsor (\$400.00 per year)

- Button ad placement (beneath Platinum ads) on the NALTEA website identifying you as a Gold Sponsor.
- Half-page ad in our printed directory.
- Logo in our printed tri-fold brochure.
- Honorable mention at the annual NALTEA conference.

Silver Sponsor (\$200.00 per year)

- Button ad placement (beneath Gold ads) on the NALTEA website identifying you as a Silver Sponsor.
- Quarter-page ad in our printed directory.
- Logo in our printed tri-fold brochure.
- Honorable mention at the annual NALTEA conference.

Help NALTEA build and promote a better, more knowledgeable abstractor. By doing so, you help to preserve a vital component of the title industry – and a means to easily identify the abstractors you can count on to get the job done right.
